EXAMINER'S COMMENT

1. An examiner's comment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: this supplemental notice of allowance corrects an error in the listing of claims 17 and 22 as allowed as these claims were listed as cancelled in applicant's amendment received 3/28/05. Note that total claims allowed is 32 and not 34 because of this listing error, which this action corrects.
